NEW

EAU DE PARFUM  
INFINISSIME

The House of Dior is pleased to introduce  
you its new creation

J'ADORE  
EAU DE PARFUM INFINISSIME

A fragrance with an endless burst of flowers  
released in a bouquet that diffuses their  
scent infinitely. Familiar yet surprising, like  
a sensual sister of the sunny J'adore eau de  
parfum, the fragrance becomes "infinissime,"  
like its infinite trail.
