EAU DE PARFUM
INFINISSIME

DIOR

The House of Dior is pleased to introduce
you its new creation

J'ADORE
EAU DE PARFUM INFINISSIME

A fragrance with an endless burst of flowers released in a bouquet that diffuses their scent infinitely. Familiar yet surprising, like a sensual sister of the sunny J'adore eau de parfum, the fragrance becomes "infinissime," like its infinite trail.

Your opinion matters. We invite you to test J'Adore and share with us your feedback at:
